

Welcome to Howard County Homeschooling Community (HCHC). We'd like to invite you and your family to join us for a free trial class or group field trip. But before you become a co-op member, here are a few things to consider.

Welcome. We're Glad You Found Us!

Many of you are here because an Ambassador (or Google search engine) led you here. And now that you've discovered us, come see for yourself how our homeschooling co-op/tutorship can support you in your home education endeavors.

Expectations Equal Happiness.

Because of our culture, we come together as a community to help, support and encourage each other. Ask yourself what you want MOST out of your co-op experience and jot down your expectations. If the expectation that matters most is being met, consider compromising on others that aren't.

Quality Versus Quantity.

We're a small organization that serves families who believe in a child-led, nature-based approach to learning. Wanna join us? Contact the Ambassador who led you here or dial (802) HCH-C099 for more details.
