## Required Materials

- **Guitar, tuner, and picks**
- ***The FJH Young Beginner Guitar Method Lesson Book 1.***  
**ISBN: 987-1569393406**

## Curriculum

This beginner course covers beginning instrument handling, care, tuning, left-hand and right-hand techniques, fretboard knowledge, note-reading, counting, and melodies.

**BEGINNER COURSE** - *No experience is needed.*

## Expectations & Goals

Students gain comfort and competency at the guitar and learn to practice with efficiency and effect. Beginning guitarists are expected to practice daily. Learners are guided to self-assess progress, encourage one another, learn to practice together, and have fun!
