## Required Materials

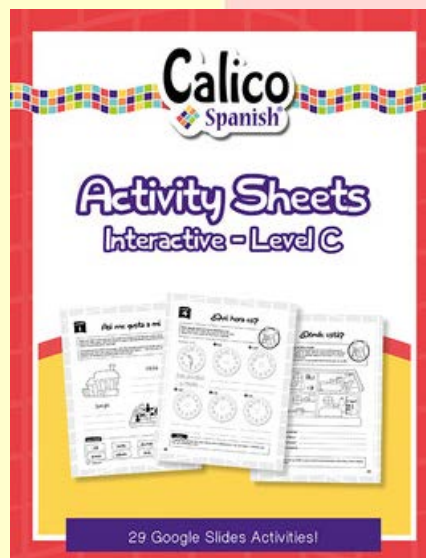

## Course Curriculum

Students reinforce their knowledge of the first year course and develop their ability to communicate satisfactorily in Spanish, effectively reading in Spanish, and writing in Spanish with a level of accuracy. Students are introduced to aspects of Hispanic culture, tradition, and literature via videos and texts.

## Parent Involvement

Students are strongly encouraged to practice their speaking skills at home with friends and family. Help your child organize and store their Spanish worksheets with a designated binder and/or folder. Students are expected to complete homework assignments and have them submitted/ready for class.
